

Call for Special Symposiums

For the ICMP2023, we are seeking proposals for Special Symposiums that complement the regular program of the conference. Special Symposiums should be focused and provide both an overview of the state-of-the-art, as well as highlight the most promising research directions, trends, and challenges in the proposed fields.

How to propose a special symposium:

1. Complete a proposal form as attached below.
2. Send the proposal form to Congress Secretariat via e-mail to secretariat@icmp2023.org with the subject: **ICMP2023 Special Symposium Proposal.**
3. Special Symposium Organizers are to ensure the availability of invited speakers. Should there be changes to the invited speakers, kindly inform the Conference Secretariat.

Information about special symposiums:

1. All Special Symposium Proposals will be reviewed by the Conference Scientific Committee.
2. For accepted proposals, invited speakers will have to submit their abstracts via the congress website. The abstracts should conform to the formatting and electronic submission guidelines of ICMP2023 conference abstract submission system. Abstracts will undergo the usual review process.

Important due dates – submission of proposals

1. Special Symposium proposals due: **31st July 2023** (the proposals submitted before the deadline will be evaluated continuously and organizers will be notified accordingly)
2. Final deadline of notification of acceptance of Special Symposiums: **31st August 2023**

Important due dates - submission of abstracts

- Submission of abstracts for the accepted Special Symposiums: **30th September 2023**

If you have any inquiries, please contact: secretariat@icmp2023.org

Special Symposium – Proposal Form

Proposers should submit the below information for Scientific Committee’s consideration via email to the conference secretariat no later than **31st July 2023**.

Symposium Title:

Short description of proposed field (up to 150 words)

Novelty and motivation (up to 150 words)
